

## CHINA DENTAL OUTSOURCING INVOICE JOB CODES

Job #	Description	Job #	Description	Job #	Description
100	Soft liner	932	Margin	980B	Partial Denture Framework Polish Only
100A	Reliner	933	PFM Metal (Coping only)	981	Partial Denture Framework incl. finish w/teeth
101	ID Denture	934	PFM Porcelain (Add porcelain only)	981A	Elastic resin frame work incl. finish w/teeth
102	Denture gum re-build	935	HP Full metal crown/inlay/onlay	982	Set up with teeth Partial denture framework
103	Part of attachment/side	936	High Noble Pin Core	983	Set up with Partial denture
104	Implant Surgical Stents	937	Titanium Alloy PFM Crown	984	Denture set up
105	Light curing plate for denture try-in	938	Titanium Alloy Crown	985	Denture finish
106	Resin Reduction Coping	940	Non-Noble PFM	985A	Denture finish (High Impact Acrylic)
107	3D Printing Model/arch	941	Non-Noble PFM including pin	986A	Acrylic Denture incl. teeth
108	Provide Lab Analog	942	Non-Noble metal	986B	Acrylic Denture incl. teeth (Hi-impact acrylic)
200	Implant abutment milling only	943	Non-Noble Porcelain	987	Acrylic Denture only finish on framework
200A	Implant abutment milling w/HN alloy	945	Non-Noble Full metal crowns/inlay/onlay	988A	Valplast partial denture finish w/ teeth < 5 units
200B	Implant abutment milling w/Noble alloy	946	Non-Noble Pin Core	988B	Valplast partial denture finish w/ teeth > 4 units
200C	Implant abutment milling w/WHN alloy	950	Non-Noble Composite build up teeth	988C	Valplast partial denture finish only
200D	CAD/CAM milling Custom Abutment	958	Temporary crown by CAD/CAM - PMMA	988D	Valplast partial denture try in only
201	Non-noble crown w/porcelain shoulder	959	Temporary crown	989A	Titanium Frame Work incl. Finish with teeth
201A	HN alloy crown with porcelain shoulder	960A	High Noble Implant crown	989B	Titanium Frame Work only
201B	Noble crown with porcelain shoulder	960B	Non-Noble Implant crown	990	Transparent framework and clasps w/ pink saddles
201C	WHN crown with porcelain shoulder	960C	High Noble Implant crown (WHN Alloy)	991	Night Guide
900	Captex High Noble Crown/Bridge	960P/A/B/C	Implant pontic A:HN;B:Non-Noble;C:WHN	992	Bleaching Guide
901	Diagnostic Wax up (>4 units)	961	Metal milling implant position	993	Individual Tray
902	Diagnostic Wax up (<4 units per unit)	962	Metal milling pontic position	994	Bite Registration
902A	Anteriors Veneer Diagnostic Wax up	963	Zirconia milling abutment	995A	Snoring Guide/Sport Guard (single layer)
903A	Zirconia Implant Crown & bridge	963A	CAD/CAM Coping trimming <6 units	995A1	Snoring Guide/Sport Guard (every additional layer)
903B	Zirconia Implant Bridge	963B	CAD/CAM Coping trimming >6 units	995A2	Snoring Guide/Sport Guard client supplied material
904	Attachment crown Labor only	970	E-Max inlay/onlay	995B	Adjustable Snoring (parts by client)
905	Orthodontic applicator	970A	CAD/CAM Glass Ceramic Inlay/Onlay	996	Electroplating coping (each gram)
906	Tooth color Transparent clasp	971	E-Max Crown	996A	Pink Dorsal Sleep Appliance (not including parts)
907	Golden Plate Framework	971A	CAD/CAM Glass Ceramic Crown	996B	Clear Herbst Sleep Appliance (not including parts)
908	Composite Veneer (Hi-impact acrylic)	972	E-Max Veneer	996C	Clear Sleep Appliance (not including parts)
909	Denture repair	972A	CAD/CAM Glass Ceramic Veneer	996D	Clear Sleep Appliance (including parts)
911	High Noble Maryland Bridge	973	E-Max 0.3 mm Super Thin Veneer	997	Attachment (incl. framework and teeth set-up)
912	Non-Noble Maryland Bridge Non-Noble	970A	CAD/CM Glass Ceramic inlay/onlay	998A	Telescope with electroplating layer
913	Fixed space maintainer (single side)	971A	CAD/CM Glass Ceramic Crown	998B	Telescope two layers
914	Fixed space maintainer (both sides)	972A	CAD/CM Glass Ceramic Veneer	999	High strength acrylic veneer (by case)
915	Orthodontic maintainer	974	Metal-free pin core		<b>ALLOYS</b>
916A	Temporary Denture Implant CAD/CAM	978A	Zirconia crown & bridge	Base Metal	CrCo Alloy, from Argen, USA
916B	Temporary Denture w/impression	978B	Zirconia bridge imported block	Noble	Noble alloy Au 3%, Pd 61%, Ag 23.35%
920	Kings Crown	978C	Zirconia coping only (by unit)	930HN	High Noble 74%Au
929	Gingiva	979	Full Zirconia bruxer posterior	930WHN	White High Noble Au 40%,Pd 39.9%, Ag 10%
930	High Noble PFM	979A	Full Zirconia bruxer esthetic	938HN	High Noble 89% Au
931	PFM including Pin	980A	Partial Denture Framework	935Y	Noble yellow 3% Au
